EDUCATION

University of the Philippines - Los Baños

Bachelor of Science in Computer Science

September 2021 - July 2026

RELEVANT COURSEWORK

- Data Structures
- Database Management
- Mobile Development
- Software Engineering
- Computer Architecture
- Algorithm Analysis
- Digital Image Processing
- Artificial Intelligence
- Human-Computer Interaction

EXPERIENCE

DOST Website Development | *PHP, Laravel, WordPress*

June 2025 - July 2025

Full-Stack Developer Intern

Remote

- Developed a custom PHP-based WordPress Quick Links plugin with an admin-side interface for managing and displaying website navigation links.
- Built an interactive DOST agencies map page with filtering options by region and area of specialty.

PROJECTS

COSS Website (In Development) | *MongoDB, Node/Express, TypeScript*

August 2025 - May 2026

Backend Developer

- Developed backend support for the Contact Us page by implementing API endpoints to process user inquiries, store contact data in MongoDB, and display submissions for admin review.

Alumni Tracker and Relations System | *Supabase, Node/Express, React*

February 2025 - May 2025

Full-Stack Developer (Backend Focused)

- Designed and implemented APIs for core web application features, then integrated them with the frontend while refining UI components and improving user interaction.

Interpreter for LOLCODE Programming Language | *Python*

September 2024 - December 2024

Full-Stack Developer

- Developed GUI-integrated input handling, enabling the interpreter to read user input through the interface.
- Implemented the syntax analyzer, semantics analyzer, and symbol table display.

FieldFare: Farm-to-Table Website | *MongoDB, Node/Express, React*

April 2024 - May 2024

Full-Stack Developer

- Developed backend APIs, optimized server-side performance, and integrated backend functionalities with the frontend to support core website features.

LEADERSHIP AND ACTIVITIES

UPLB Computer Science Society (COSS)

42nd Computer Science Week Job Fair Co-Head

August 2025 - February 2026

- Coordinated with partner companies, venue administrators, university offices, committee members, and the organization to support smooth event execution.

41st Computer Science Week Marketing and Advertising Committee Co-Head

August 2024 - March 2025

- Participated in decision-making for content scheduling and marketing strategies for the CS Week.

SKILLS

- **Languages:** Python, JavaScript, HTML/CSS, Tailwind CSS, SQL
- **Technologies & Frameworks:** React, Node.js, Express.js, WordPress, MongoDB, Supabase
- **Developer Tools:** Git, GitHub, Visual Studio Code, Eclipse
